

**PROF. SUCHARITA  
MITRA SARKAR**

Prof. Sucharita Mitra Sarkar is Assistant Professor and Head of the Department of Electronics in the Faculty of Sciences at Netaji Nagar Day College of Calcutta (India).

Her interest areas are Signal Processing with special reference to Biomedical Signals, Image Processing, Pattern Recognition etc. At present, she is working towards development of low cost ECG machines which is useful for assessing the health of the masses at a cheaper price. She is confident that development of such machines would be useful towards reduction of health expenditure of a nation. Also, she is interested in development of Remote Tele-cardiology System for Compression, Transmission and Analysis of ECG signal.

## Seminar:

### **“Data Embedding, Compression, Transmission and Processing of ECG Signal “**

Dear Colleagues,

It is a great pleasure to invite you to attend the “Data Embedding, Compression, Transmission and Processing of ECG Signal” seminar by

## **Prof. SUCHARITA MITRA SARKAR**

Date: Wednesday , April 29, 2015

Time: 12:00 pm

Location:

Campus Río Ebro, Edificio I+D+i  
2ª planta, bloque 5, Seminario I3A  
C/ Mariano Esquillor, s/n  
Zaragoza

The seminar is free and open to the public.
